We are the GroundZero Acoustic Music Lounge (located in Parksville BC), and we are grabbing the attention of musicians and music lovers rights across the country. We are a unique listening venue and we are gaining in popularity quickly. Here is what some of our visiting musicians are saying:

We are an 80-seat venue producing 4-5 events per week on average. We have a healthy Facebook following (1000+ likes) and over 400 email subscribers, all of this after only being open 6 months! We offer Open Mic Nights, Jam sessions for local musicians, a Ukulele Club night, Spoken Word/Poetry Readings, Wednesday Night Jazz Concerts, Music Workshops/Seminars and of course a wide variety of musical performances, a few standouts being Barney Bentall, Jane Siberry, Alfie Zappacosta and Shari Ulrich.

ADVERTISING OPPORTUNITIES EXIST FOR YOU!

In order to continue to grow our sales, we are producing a monthly "program" that will list all of our upcoming shows for each particular month. Tom Alexander (producer of the local publication the What's On Digest" is the designer and publisher of our program. It will be distributed to key locales in our community, as well as being handed out to each concert-goer as they enter our facility.

We will be starting with a run of 500 copies each month, but our goal is to quickly expand that number to 1000. We are currently selling ad space in our upcoming monthly programs. We are confident that you will find this form of advertising worthwhile and cost effective. Our visitors are mainly locals who are a key part of a healthy local economy, and by advertising in our programs you will be encouraging them to shop locally. You will also be part of the coolest new joints around!

As an added bonus, sponsors will receive a free pair of tickets to a concert of their choice for each month that they advertise in our program. What a deal!
